

SEEA
SOUTHEAST ENERGY EFFICIENCY ALLIANCE

Long Term Innovations in Energy Efficiency

September 16, 2020 | A SEEA Member Event

Why Energy Efficiency Matters Now

OUR ROLE

SEEA works to move the energy sector forward so that all people in the Southeast can live and work in healthy and resilient buildings, utilize clean and affordable transportation, and thrive in a robust and equitable economy.

Energy-Efficient Policy

Supports decision-makers at the state, local, and utility levels by identifying energy-efficient solutions to fit stakeholder needs

Built Environment

Empowers partners to strengthen energy and building codes to increase access to healthy and resilient housing

Energy-Efficient Transportation

Advances policies and programs that expand efficient transportation options, drive innovation, and improve air quality

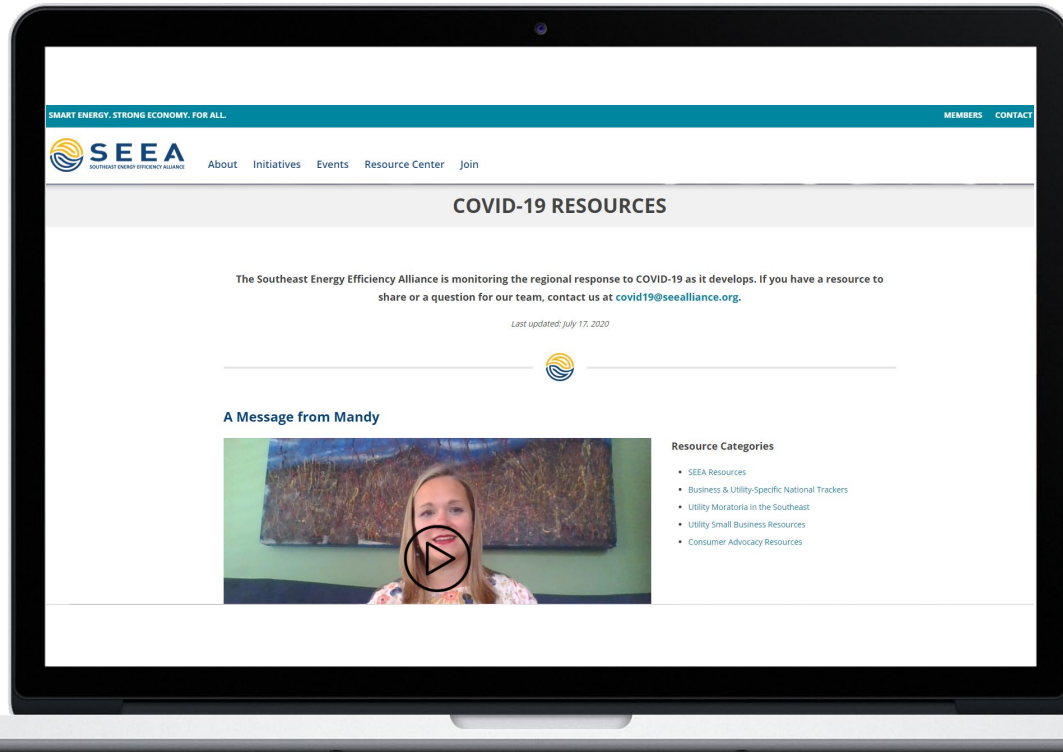

Diversity & Equity

Pursues equitable energy solutions and works to leverage the collective knowledge and strength of the Southeast
